Each year, corporate teams rally together to participate in Big Climb Seattle, striving for one common goal: **CLIMB. CONQUER. CURE.**

Each corporate team starts their Big Climb journey for different reasons: Some have a colleague who has been diagnosed with a blood cancer, others are looking to gain exposure within their community, and certain companies join for the challenge of competing with other teams. No matter the reason, all corporate teams join Big Climb Seattle to support The Leukemia & Lymphoma Society's mission to cure leukemia, lymphoma, Hodgkin's disease and myeloma, and improve the quality of life of patients and their families.

By participating in Big Climb Seattle as a corporate team, you have a great opportunity to gain exposure within the community. Big Climb is composed of 6,000 passionate and dedicated climbers of primarily the Puget Sound region (although 31 states were represented in Big Climb 30!). Additionally, participation in Big Climb promotes team building and wellness for all employees involved.

This year, we are excited to host the Big Climb Corporate Team Competition, bringing out rivalries between top Puget Sound companies.
